15 May 1958

To: Chief, Bureau of Aeronautics
Navy Department
Washington 25, D. C.

25X1 Attn: AC-511 - For delivery to [redacted] only

Subj: Project "Hazel"

25X1 Ref: (a) Conferences between Convair representative and [redacted]
of BuAer

Encl: (A) Statement of Work
(B) Cost Summary

1. In accordance with understandings reached in referenced conferences, Convair is pleased to submit its proposal for Project "Hazel". Enclosure (A) hereto is the Statement of Work, which Convair feels conforms to the desires of the Bureau of Aeronautics, as outlined in reference conferences. Convair proposes to perform this work under a CPFF contract for a total price of \$59,868, including a fee of \$3,917, computed at the rate of 7%, as outlined in Enclosure (B) hereto. As requested, the costs outlined in Enclosure (B) utilize the same rates as those utilized in Contract NOas 58-576c. Convair envisions that this effort on Project "Hazel" will involve study only, with no requirement for additional engineering facilities or material, and, thus, there are no costs for these items in the enclosed Cost Summary. However, Convair does feel that this work will require some computer time as well as minimum travel to the Bureau of Aeronautics.

2. As agreed in referenced conferences and as outlined in the enclosed Work Statement, Convair proposes to begin study on 26 May 1958, complete the study by 31 August 1958, with the final report transmitted by 15 September 1958. Therefore, it is requested that any contract evolving from this proposal cover effort to begin on 26 May 1958, either by date of the contract or by an anticipatory cost clause recognizing this starting date.

3. As discussed in referenced conferences, Convair will be prepared to discuss this proposal in detail on 26 May, and will be pleased to submit additional information if desired. Convair fully understands the Navy's desires for the utmost security on this program and will make every effort to comply with them. Performance of the contemplated work is dependent upon negotiation of mutually satisfactory contractual terms.
